DEDICATION

Throughout our lives, our parents have blessed us with helpful guidance and constructive advice. From them we have learned many of life's lessons, and their influences have often been inspirations to us.

During our four years at Spencer High, we have turned to our parents on many occasions and have found their love and concern to be unending. Their faith in us has helped us in attaining our goals.

We know that no mere tribute to our parents can express our gratitude to them. Yet, in humble recognition of their constant help and affection, we, the Senior Class of Spencer High School, dedicate our 1958 yearbook, "MOMENTS TO REMEMBER" to our parents.

JUNIOR-SENIOR PROM

CLASS HISTORY

School these past four years has been filled with many wonderful and exciting events for every senior. Looking back upon these years, one can understand why they have been so wonderful.

Thanks to the patience and skill of the grade and junior high school teachers, we were finally ready for high school. Making the journey that warm September day were 23 bright and industrious freshmen. With Miss Lois Swisher as our guide and advisor, we soon acquired the dignity so typical of freshmen. At the end of the year we found that 3 members had left us. They were Anna Mae Mossie, Bennie Staley, and Clayton Tenny. We also found that we had gained one member, Evelyn Liedorff.

Mr. Ray Adams, our advisor, found us as sophomores to be quite an unusual class. Not only were we industrious, but also ready for anything. As a matter of fact it was during this year that a brilliant idea for building up our treasury was born. As a result of concerted effort on the part of all of us, we netted a satisfactory profit from the sale of cider. Upon taking tally at the close of the school year, we found that four members, Christine LeBeau, Ray Kozub, Larry Neptune, and Donna Norris had left us.

Our junior year with Mrs. Alice Dawley as our advisor proved to be very interesting. We were kept busy selling refreshments at the football and basketball games. Our first real thrill of the year was that of choosing and receiving our class rings. Our attitude toward school was slightly changed by our increasing interest in sports. We were honored in having 4 boys on the varsity basketball squad as well as on the tournament squad. Next, our junior play "Hillbilly Weddin" was presented April 5. Mr. Lawrence Marker was our director, and well remembered are the many hours of rehearsal. May 17, brought our activities for the year to a close. For on that night, the Junior - Senior Banquet was held. The banquet took place at Oberlin Inn, Oberlin, Ohio. It was followed by a show in Akron and climaxed with a dance and breakfast in the school gym. During the year Jay Miller left us, leaving 18 members in our class.

Returning for the last time on a warm September day, 15 seniors greeted each other enthusiastically. Much to our disappointment, we found that three members, Delores Cantleberry, Beverly Heilman, and Alex Moran were no longer with us.

Under the direction of Mrs. Ruth Wolff, "Hilarity House", our senior play, was presented December 14. We are proud to have 3 girls from our class who have been basketball cheerleaders for the last 5 years and football cheerleaders for the last 3 years.

Mr. John Florence, our advisor, has helped us overcome many of our difficulties this year. Now, as we look to the future, we know that with the guidance and help of our teachers and parents, we are at last ready to put on trial all the knowledge we have attained.

The following are the students who have been together since the first grade: Bob Beach, Kathy Bowen, Donald Brouse, Larry Clifford, Mary Ann Giar, Donna Rae Rook, Jayne Rook, Ann Stuart, Arthur Walkden, Phil White.

CLASS WILL AND TESTAMENT

I, Ronnie Walters, leave my thirty free periods a week to the teachers in need of them.

I, Robert Beach, in my last will and testimony leave my ability to stay out of trouble most of the time to Jay Miller.

I, Donald Brouse, leave my position opposite mighty "Butch" Beach in tackling practice to Earl Coe.

I, Keith Pervier, leave my ability to sleep in English class to someone with a good start, Jim White.

I, Phil White, leave my ability to get into trouble without looking for it to Gary Larkey and Bruce Blake.

I, Donna Rae Rook, in my last will and testimony do hereby leave my pocketbook to the person who already has it.

I, Ann Stuart, will my long hair to Sherrell Havorka, who is trying so hard to grow it.

I, Ronnie Roub, will my ability to keep my car in one piece to Billy Knepper, who needs it.

I, Evelyn Liedorff, leave my ability to get into trouble and all my boyfriends to Faye Riffle.

I, Gypsy Pervier, leave my ability to have a ball in the library everyday without getting "heck" for it, to Mary Ann Higgins, who's doing even better than I.

I, Kathy Bowen, leave my spot on the scoreboard bench to Roberta Leach, who will fill it well.

I, Arthur Walkden, leave my ability to get my opponent players mad at me to Tom Davenport.

I, Larry Clifford, leave!!!!

I, Mary Ann Giar, leave my ability to be a cheerleader to Billy Benford, Ricky Myers, and Robert Fitzgerald, since they won't be able to make the basketball team in consolidation.

To the juniors, we leave our ability to make enough money for our senior trip, because they need it badly.

To the sophomores, we leave all our forged passes and our catty ways. They seem to have a good start.

To the freshmen, we leave the good behavior we have had throughout our high school years.

To the teachers, we leave the present and pleasant memories of us.

To the school, we leave our wonderful reputation and whatever they can find left of the building when we are through.

CLASS PROPHECY

As I sit here in the White House with no presidential duties, I have time to wonder. I have wondered what has happened to the class of '58 at old Spencer High. I finally made up my mind to take a trip to Spencer to visit my brother and find out what really had happened to my old classmates.

So, here I am in Spencer, sitting in the living room of my brother's mansion. Keith owns one of the largest dahlia farms in the nation. Upon asking him what happened to the old gang, I was surprised at what I learned.

Robert Beach is the Spencer sheriff. He has just replaced Steve Heli, both in position and size.

Mary Ann Giar has her own column in a local newspaper. It's called the Lonely Heart. Ronnie Walters is her top customer.

Evelyn Liedorff is now in the Air Force as the first woman in a men's military camp. She has decided, "If you can't fight 'em, join 'em."

Don Brouse is the coach of the Tri-County School. He has raised his own basketball team of six girls. He is having a hard time living up to his reputation as penny-pincher.

Ronnie Walters has really gone up in society. He moved to California and bought the Golden Gate Bridge. Just recently, he married the girl of his dreams, Kim Novac.

Larry Clifford is just the same. The girls are still chasing him, and he has just taken his fifteenth bride. He is in partnership with Nelson Waltz, and they own one of the largest gambling casinos in the United States.

Arthur Walkden has his own dairy farm. It is called the "Happy Hunting Farm." He married Rita Stoll soon after graduation, and to date, they are the proud parents of four sets of twins.

Ronnie Roub has been a society playboy since he graduated. He owns his own race track, and he is the star racer of the world. Ronnie is known as Fearless Foscdick.

Phil White is married and lives in town. His wife is supporting him, as he still hates to work. He was named the laziest man of the year.

Ann Stuart and her husband, Jim, now own the Chronicle Telegram and are assisted by their little Cub reporters.

Jayne Rook finally married Weiner and is raising "Teeny Weenies."

Donna Rae Rook, instead of being a nurse in the Spencer Mental Institute, has become an inmate.

Kathy Bowen has become an English teacher in the new school in Spencer, where she replaced Mrs. Wolff in every way.

Now can you understand why I was so shocked at all that happened to the shy class of '58 in just ten years?

This year we changed from 6-man to 11-man football. The team was mostly young, light, and inexperienced. We played one preview, five 11-man games, and one 6-man game. Our season record was one win and six losses. Although we lost more than we won, we gained a lot from the experience of playing 11-man football.

Following are the teams we played and the scores:

TEAM	WHERE	THEY	WE
Wadsworth Jayvees	There	0	0
LaGrange	Grafton	26	13
Plymouth	There	45	13
Townsend-Wakeman	Here	12	13
Sullivan (six-man)	There	36	34
Lodi	Here	6	0

Spencer's record was the best they have had since 1952. The school and the town were with the team all of the way. The final league season record was 9-5. We won the Christmas tournament at LaGrange by defeating Avon and Westfield. In the county tournament we drew Homer and were defeated 52-45.

This year we were very proud to have two members of our basketball squad on the all-county team. Don Brouse and Tom Davenport were both elected to the first team. Mary Ann Giar received honorable mention in the cheerleading contest. Our season record was as follows:

DATE	SCHOOL	WHERE	WE	THEY
November 26	Brunswick	Spencer	45	40

OUR "ON-THE-FARM" FEED SERVICE MIXES YOUR FAVORITE FORMULAS
FROM YOUR HOME-GROWN INGREDIENTS
RIGHT BEFORE YOUR EYES

SAVE MONEY ON THE COST OF FEED--YET MAKE FRESH MIXED FEEDS AVAILABLE TO YOUR STOCK ALL YEAR ROUND.

That's what you do when you use our new mobile feed service. It works this way:

Telephone us or drop us a post card and we bring a complete mill on wheels right to your farmyard. Using your own home-grown ingredients --and we can handle anything from corncobs to hay--we grind and mix your feed right before your eyes. Use your own favorite formulas...or we will advise you.

It's as easy for our mill-on-wheels to blend in molasses as it is for a duck to swim. Remember--adding molasses to low-cost feeds gives results in weight increases equal to those obtained from high-cost grain.
